

Looking Ahead at DeLaSalle

Friday November 20, 2015

Registration Deposits Applied to Tuition Agreements

Families will notice a change in their next tuition statement. The Business Office this month added the \$350 tuition registration deposit charge to tuition agreements but then credited the amount with the registration deposit that families paid this past spring. Even though families may receive an additional email from TADS in December, indicating that a charge is due for registration. Be assured that DeLaSalle has already applied the registration deposit for those families who have paid it. No additional money will be deducted from those families' tuition accounts.

Adding the registration deposit to the tuition agreement reflects the true amount in tuition paid to De during the 2015 calendar year. Families may log in to TADS after January 1 and print a report showing how much tuition they paid to De in 2015 to claim the K-12 Education Subtraction and Credit. 2-Hour Late Start on Monday, November 30

Classes on November 30 will start at 10:30am instead of 8:30am and morning transportation routes will also run two hours later than normal. The late start provides faculty and staff with the opportunity to continue a two-year professional development program related to racial equity and social justice teachings of the Catholic Church.

Important Upcoming Dates & Events

School In Session December 21-22

Many families are already making their Christmas and holiday plans and want to know the school schedule the week of Christmas.

As a reminder, school is in session from 8:30am-3:00pm on Monday, December 21 and Tuesday, December 22.

There are no shortened days this semester because of final exams, as in the past. Teachers may schedule a final exam at a time that is appropriate for their class.

Christmas Break is scheduled December 23-January 5.

Fall Activity Evaluation

Tell us what you think....We invite students and parents who participated in an activity this fall to [complete this program evaluation](#) and share your feedback about your activity experience. Thank you.

Christmas Basket Drive Underway

For the past 23 years around Christmas, DeLaSalle has spiritually adopted several families through Sponsor a Family Minnesota and the Aliveness Project. These families have benefited greatly from our generous spirit. Last year students and staff raised around \$4,000. Several teachers have graciously agreed to be the money collection point for each grade level. Students may donate money in 9th and 10th grade Theology classes and in 11th and 12th grade English classes. Money collection continues daily through December 2. Students will gather after school on Friday, December 4 to purchase gifts for the families.
