What is DLITE?

DLITE is an intensive leadership training for teens which includes service, teambuilding, prayer, and experiential leadership.

Hosted alongside the Dunrovin Summer Youth Program, that serves and gives camp opportunity to low income inner-city youth from Chicago and Twin Cities. These campers are an important part of DLITE's training, providing opportunities for DLITE participants to practice what they learn about leadership skills while building relationships with team members and campers.

This dynamic leadership training program for teens was developed by and is supervised by Director Jerome Meeds. With over 30 years of camp, youth ministry and life coaching experience, Jerome has created a program that challenges young people to grow and empowers them to make a difference in the lives of others.
