Girls' and Boys' Basketball Teams Return to State Girls' Capture Class 3A Consolation; Boys' Pursue 6-Peat

Congratulations to the DeLaSalle girls' and boys' basketball teams for advancing to the Minnesota State High School

League state tournament. The girls' state tournament appearance marked the team's eighth in the last 12 years and first trip since 2013. DeLaSalle, the Section 4AAA champions, faced #3 seed Winona in the Class 3A quarterfinal March 15 at Mariucci Arena. Though the Islanders led the Winhawks 32-31 at halftime, Winona took control of the game in the second half and pushed ahead to a 64-59 win. The quarterfinal loss sent the Islanders into

the consolation bracket, where DeLaSalle defeated Waseca 51-43 in the semifinal. DeLaSalle faced Grand Rapids in the consolation final March 17, in a game that the Islanders won in double overtime, 68-66.

Meanwhile, the top-seeded Islander boys held off #2 seed Orono 71-68 to win the Section 6AAA championship March 16 and return to the state tournament in pursuit of their sixth consecutive title.

The seeding meeting for the boys' state tournament is scheduled Saturday, March 18 and more information about game scenarios, school impacts, and other tournament details will be communicated at delasalle.com.

Sacrament of Reconciliation Offered March 20

In this penitential season of Lent, we are called to self reflection and to identify how we can move into a closer relationship with God. Just as they were present this past Monday, several priests, including school chaplain, Fr. Joe Kuharski, will be available Monday, March 20 to offer the Sacrament of Reconciliation to DeLaSalle students and staff. The priests are also available to meet with students of other faiths. Those interested in receiving the Sacrament or meeting with a priest should check in with the Lasallian Ministry office. Those unable to participate in the sacrament March 20 may receive the sacrament during the [24 Hours for the Lord](#) at the Cathedral of St. Paul during the 24 hours that begin at 12:00pm on Friday, March 24. 2017-18 Tuition Agreements Coming Soon

Thank you to those DeLaSalle families who have completed an application for financial aid for the 2017-18 school year through TADS (Tuition Aid Data Services). As part of the financial aid planning process each year, TADS contacts families when they have follow-up questions regarding an application. Please be sure to respond to TADS within 24 hours if you receive a call or email from one of their auditors, and if additional documentation is required, please send that to TADS in a timely manner. If TADS contacts you, odds are good that your 2017-18 application is considered incomplete until you respond as directed.

Between April 1-15, DeLaSalle will email 2017-18 Tuition Agreements to all fully registered DeLaSalle families. These agreements will identify any financial aid your child will receive, including Presidential scholarships as well as need-based aid. When you receive the agreement, we ask you to follow the instructions on the agreement, select a payment option, and electronically sign your acceptance.

"Urinetown" Spring Musical Final Performances

March 17 & 18, 7:30pm, Florance Center

Tickets: Reserved \$15; general admission \$10; students and senior citizens \$7; De students free with ID

Winner of three Tony Awards, "Urinetown" is a wickedly funny, fast-paced, and surprisingly intelligent comedic romp that helps highlight issues of conservation and social justice. In the not-so-distant future, a terrible water shortage and 20-

year drought has led to a government ban on private toilets and a proliferation of paid public toilets, owned and operated by a single company: the UGC.

DeLaSalle Theatre partnered with the GREEN Team to create a set that will be made completely out of recycled materials. [Click here](#) for more information about the show.

31 Projects Qualify for for Minnesota History Day

Thirty-one research projects and papers created by DeLaSalle students have qualified for Minnesota History Day. The projects advanced from the Metro Senior Regionals held this week at Augsburg College. Once again, DeLaSalle is advancing more

projects and more students to State History Day than any other high school in Minnesota. Students who do well at State may be chosen to compete at National History Day in June, as several De students have accomplished in the past ten years.
