

TRAILBLAZERS:

WOMEN SUCCEEDING IN
SCIENCE & TECHNOLOGY

CALLING ALL FEMALE HIGH SCHOOL & COLLEGE STUDENTS

DON'T MISS THE CHANCE TO GET INSPIRED BY WOMEN LIKE YOU SUCCEEDING
IN STEM (SCIENCE, TECHNOLOGY, ENGINEERING & MATH) CAREERS.

JOIN US!

THURSDAY, NOV 1ST | BEST BUY
6:30PM TO 8:30PM | RICHFIELD, MN

Panel members will share their experience at these organizations: General Mills, TCF, Medtronic, Keyot, CH Robinson, Best Buy, Mayo Clinic, Land O'Lakes, United States Air Force, and Cirrus Aircraft.

WHY STEM? WHY NOW?

- Despite making up half the U.S. workforce, women hold less than 25% of STEM jobs.
- Women working in STEM earn a third more than those in non-STEM.
- In order to succeed in the evolving technological society, students need STEM-related skills.

REGISTER TO ATTEND

To join us, please register at

WATCH THE LIVESTREAM

Can't attend in person? Watch our livestream
of the event at <https://zoom.us/j/120405284>

Note: The Livestream is best viewed on Google Chrome.

GETTING THERE

Best Buy is located at 7601 Penn Ave S, Richfield, MN 55423. Park in the visitor parking lot off Penn Avenue and use the main entrance to the building from that parking lot.

Keyot, Best Buy and Million Women Mentors® MN are hosting this event as part of a movement to encourage and support women students to pursue STEM careers.
