NATIONAL HONOR SOCIETY

We are proud to recognize members of the DeLaSalle chapter of the National Honor Society. The National Honor Society (NHS) was established to recognize outstanding high school students. More than just an honor roll, NHS serves to honor those students who have demonstrated excellence in the areas of Scholarship, Leadership, Service, and Character. These characteristics have been associated with membership in the organization since its beginning in 1921. Chapter membership not only recognizes students for their accomplishments, but also challenges them to develop further through active involvement in school activities and community service (*National Honors Society www.nhs.com*).
