

College Horizons is an annual pre-college summer program for **Native American, Alaska Native and Native Hawaiian** high school sophomores and juniors. Students work with college admissions officers, college counselors, essay specialists, and other educators in a six-day college admissions "crash course" focused on understanding the college admissions application process. Our rigorous workshops inspire students to find a college that will satisfy their needs for a fun, challenging and supportive environment. We strive to equip our students with the tools to make their college dreams and goals a reality.

DeLaSalle High School invites you to come to Wita Wašté, Chi-minis, to meet Hilary Abe Coordinator of Recruitment & Alumni Affairs for College Horizons.

Hilary will give a presentation to students, families, caretakers, and educators about the College Horizons summer program for high school sophomore and juniors, discuss the application process, and take time to answer questions. All are welcome!

Day and Date: Wednesday, January 9, 2019 **Time:** 6:00 dinner, 7:00 pm presentation

Location: Wita Wašté, Chi-minis (Nicollet Island at DeLaSalle High School), Room D104

Agenda:

>6:00-7:00- Dinner for DLS families and update from Ms. Carter and Ms. McAdams concerning college planning

>7:00-7:15- check in and fellowship (other schools will join us for the presentation)

>7:15-7:45- presentation on College Horizons program and how to apply

>7:45-8:00- Q & A

Email Ms. Carter to let her know if you plan to attend the dinner so she has an accurate count of people for the meal, scarter@delasalle.com
